

## OVER 60 HISTORIC FERRARIS COME TO TRENTINO ALTO-ADIGE FOR CAVALCADE CLASSICHE

Maranello, 23 Sept. 2022 – Today concludes the fifth edition of the Ferrari Cavalcade Classiche. This unique event brought 65 vintage Ferraris and their owners from all over the world to the spectacular mountain setting of Trentino Alto-Adige in northern Italy.

The Cavalcade traversed extraordinary scenic routes through the Adamello Brenta Nature Park, the Trentino valleys and Lake Garda.

Ferrari's international guests also participated in a three-day regularity race from Pinzolo, in the upper Val Rendena, and across the imposing Dolomite landscapes. The cars paraded and were displayed in the historic centres of Cavalese, Merano, Riva del Garda and Trento, and represented key moments in the Prancing Horse's 75-year history of elegant design and technological innovation.

Onlookers and enthusiasts were delighted by the opportunity to get up close to some of these legendary vehicles, including the Ferrari 166 MM, Ferrari 212 Inter, Ferrari Dino 246 GT and F40.

The Cavalcade Classiche is one of Ferrari's most exclusive invitation-only events, and attracts crews of many nationalities. It is designed to bring owners together to share authentic and memorable experiences, to create a single community united by its passion for the Prancing Horse
