[Bulletin](#) - [Virtual board](#) - [Timekeeping](#) - [Livestreaming](#) - [Media Gallery](#)

Check [the sustainability section](#) of the virtual board to find indications and recommendations for improving the environmental, social and economic impact of your participation in the event.

- It is forbidden smoking and use of free flames;
- It is forbidden the storage of inflammable materials which must be placed in open air;
- Fire extinguishers and hydrants must be kept visible and working;
- Access to escape doors and run off areas must be assured avoiding any obstruction;
- Exhausted oils must be poured in the tanks placed in the paddock;
- In case of accidental pouring of inflammable liquids, oils or substances that can make the surfaces slippery, arrange for immediate removal and cleaning.
- The pit tent in the Paddock Challenge is a working area, each team is responsible for its assigned area. Only people involved in the event can access it.
