## GENUINE 20" FORGED WHEELS

**458**  
ITALIA

Designed by the Ferrari Styling Center specifically for Ferrari Genuine, the 20" forged wheels enhance the vehicle's lines by combining exclusive design with highly innovative technology. The forging process significantly reduces the overall weight of the vehicle, increases the driving feel and guarantees a more rapid response. The 20" forged wheels give a sportier or more elegant look depending on whether you choose a two-tone diamond finish on the spokes or an exclusive paint finish.
