

488 GTB

FERRARI GENUINE

ORIGINAL ACCESSORIES

COLORED CALIPERS, ALUMINUM

COLORED CALIPERS

488 GTB

The Ferrari Genuine accessories catalogue offers customers the chance to personalise their vehicle by installing brake callipers in various colours: glossy black, Giallo Modena, aluminum, Rosso Corsa, Rosso Scuderia, dark grey, blue, and gold. Anodised black brake callipers have been created for Gentlemen Drivers and track use since this treatment guarantees higher resistance even when the braking system is subjected to severe use.
