

812GTS

FERRARI GENUINE

ORIGINAL ACCESSORIES

**20" MULTI-SPOKE FORGED WHEELS, MATTE SILVER
WITH TITANIUM STUD BOLTS**

20" MULTI-SPOKE FORGED WHEELS

812GTS

The multi-spoke forged wheels derived from use on the track have a 10 split-spoke design which gives the vehicle a sportier, more dynamic look. Made using highly advanced forging technology, they make a significant contribution to reducing the weight of the vehicle and, with their exclusive design and various finishes, enhance its character.
