HEATED SKI BOOTS BAG

HEATED SKI BOOTS BAG

Ferrari
Purosangue

As with all items in Ferrari's new LifeStyle luggage collection, this ski boots bag is crafted from leather and natural fabric to guarantee ease of use, durability and respect for the environment.

The bag has space for a pair of ski boots and small items such as gloves or goggles. It's also equipped with two useful 12V heating powered pads to insert into your boots to ensure maximum comfort when you're ready to ski.

The interior features waterproof material.
