WATERPROOF OUTDOOR CAR-COVER

WATERPROOF OUTDOOR CAR-COVER

Furosangue

The Ferrari Genuine outdoor car cover protects the car from atmospheric agents and sunlight, always guaranteeing maximum tailored fit, lightness and ease of application. The outdoor car cover is composed of unique and innovative materials, which make the cover waterproof, resistant to salt corrosion and dust while maintaining the breathability necessary to preserve the car body.

The cover is also embellished with an elegant logo on the sides of the car.
