GENUINE 18" MULTI-SPOKE WHEELS

GENUINE 18" MULTI-SPOKE WHEELS

360modena

With a modern, sleek design, the multi-spoke wheel is offered in the original 18" wheel size for complete interchangeability with the original wheels and to avoid any possible problems regarding type approval. This solution also ensures that the vehicle configuration remains within the original design specifications for tyres, which is an indispensable prerequisite for safety and for the correct the ABS system to function correctly.
