

488 GTB

FERRARI GENUINE

ORIGINAL ACCESSORIES

CARBON FIBRE OVERMATS, WITH LEATHER LOGO

CARBON FIBRE OVERMATS

488 GTB

Ferrari Genuine overmats are made of carbon fibre and covered with a special clear coat layer which gives the mat a non-slip finish without compromising the look of the material.

The front mats have a vehicle logo on a leather patch applied to the carbon fibre or on a special steel plate.
