ORIGINAL ACCESSORIES

**CARPLAY, WITH PARKING CAMERA FOR EUROPE**

CARPLAY

FERRARI  
*California***T**

The convenient interface of Apple CarPlay gives your iPhone even more ways to be useful when traveling by continuing to safely use your favorite functions directly from the controls of your car.

CarPlay is a smarter and safer way to use the smartphone in the car. Let your iPhone guide you to your destination via the Apple maps, call, send or receive messages, and listen to your favorite music, all from the screen of your car.
