CAR CARE KIT

FERRARI
296 GTB

Developed and produced exclusively by Ferrari Genuine, the Exterior Cleaning Kit, Interior Cleaning Kit and Touring Cleaning Kit consist of a selection of products letting owners look after the interior and exterior of their cars completely and safely.

Specific cleaning products to clean, nourish or polish every part of the interior trim and protect the quality of the materials used, personalised Ferrari fragrances with a unique and unmistakeable scent, and superlative quality creams which are gentle on the skin and care for the environment: these are just some of the car care products available from the official Ferrari network, created to keep your Ferrari in immaculate condition and looking as good as ever day after day, whether in the city or on the road.
