Ferrari  
**296 GTB**

HomeLink® is the world's most widely trusted and used wireless system that allows you to open and close the garage door or gate of your home in complete safety from within your vehicle.

HomeLink® can also be used to arm/disarm your home alarm system and to switch lights, appliances and electronic devices in your home on and off.

All of these functions are accessible from just three buttons integrated smartly in your vehicle.
