INDOOR DUST CAR COVER

INDOOR DUST CAR COVER

Ferrari
F8TRIBUTO

The car cover is made by a new material that couples a technical fiber and merino wool. The results of this combination is a custom fit indoor vehicle cover made from breathable, antistatic and dirt repellent material with embroidered car logo. The insert can be customised by choosing a colour from the following selection:

- Red
- Yellow
- Gray

The car with Assetto Fiorano has the dedicated details with "Assetto Fiorano" badges.
