RUBBER BOOT TRAY

RUBBER BOOT TRAY

Ferrari
Purosangue

For the Ferrari Purosangue it is possible to order a boot compartment cover.

Designed following indications from the Ferrari Style Center, and made of the highest quality rubber, it guarantees long durability and excellent quality.

Produced specifically for this model, the raised edge of the rubber cover manages to retain dirt, water and snow to avoid dirtying the trunk.

The cover is easily removable when not needed.
