ORIGINAL ACCESSORIES

GOLF BAG

GOLF BAG

The 'FF' logo, rendered in a stylized, italicized font with a red and white gradient, is set against a black rectangular background in the top right corner.

The golf bag is specifically designed for the interior of the vehicle to maximise usable space. These luggage articles are completely personalisable, from the type and colour of the FRAU leather to the stitching, which may be coordinated with the colour of the leather selected for the vehicle interior.
